#### Description:

Highly detailed map of New South Wales, from the *Weekly Dispatch Atlas*.

Includes nice early detail in the interior of NSW and fine detail along the coast.

'*The Weekly Dispatch*' newspaper between the years 1856 and 1862, included in each edition, a map of a part of the world. During this period a total of 118 maps were issued. The maps bear the distinctive sign of a half globe with the figure of Mercury above. The engravers varied, but included John Dower and Edward Weller.

In 1863 '*The Dispatch Atlas*' was published, which contained a series of English county maps. The two were combined in 1865 as '*Cassell's Complete Atlas*', with many maps in a large scale of areas not often
