Price: \$ 495.00

Description:

The Ancient Sites of Great Britain!

Fascinating, mammoth-sized map of the British Isles showing sites of historical interest ranging in age from Paleolithic to Medieval.

Hundreds of sites are shown on the map, including neolithic villages, Roman baths, and ancient forts. The age of the various sites is demarcated with changing symbols.

This map was published in 1951 by the Ordnance Survey. In all, an attractive and fascinating piece.
