**Place:** Santa Cruz (?)  
**Color:** Uncolored  
**Condition:** VG  
**Size:** 24 x 19 inches (sheet size)  
**Price:** \$ 395.00

### Description:

This eye-catching printed broadside features an intricately designed calligraphic representation of an eagle, banner, pen, and palette. The striking design serves as a keepsake for Heald's Business College, which was operational between 1906 and 1920.

As a memento of the college's existence, this keepsake offers a glimpse into the history of business education and the institution's dedication to its students' success. It serves as a captivating piece for those interested in the history of education and graphic design, as well as a beautiful example of early 20th-century printed calligraphic art.
