## Floride

**Stock#:** 9403  
**Map Maker:** Mallet  
**Date:** 1686  
**Place:** Frankfurt  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 6 x 4.5 inches  
**Price:** SOLD

### Description:

Difficult to obtain early map of Florida and the South from the scarce German edition of Mallet's Atlas. The map is based largely upon the earlier maps of Sanson and Du Val, providing excellent detail from the Mississippi Valley to Florida, retaining the apocryphal Lake May and misprojected location and course of the Mississippi. Cumming 106.
