### Description:

Fine large map of America, illustrating the Voyages of the most important explorers of the second half of the 18th Century.

The tracks of the 3 voyages of Captain James Cook, undertaken between 1768 and 1780.

Fascinating depiction of the Northwest parts of America, showing the state of knowledge prior to the explorations of Lewis & Clark. The coastal discoveries of Vancouver between the Straits of Juan de Fuca and Alaska are in evidence, including the Isle of Quadra and Vancouver and Mt. St. Elias.
