### Description:

Rand-McNally's *New Commercial Atlas Map of Pittsburgh* is a detailed cartographic representation of the city during its prosperous industrial era. Published by Rand McNally in Chicago in 1912, this map provides valuable insights into the urban landscape and transportation network of Pittsburgh at the time.

This map offers a comprehensive view of the city, presenting detailed street layouts, buildings, landmarks, and other significant features. Notably, red lines are incorporated into the map to indicate the locations of Pittsburgh's streetcar lines. These lines, crucial for urban transportation during that period, contributed to the city's growth and development.

The map serves as a historical document, providing a glimpse into Pittsburgh's urban landscape during a period of rapid industrialization. It offers a valuable resource for researchers, historians, and enthusiasts seeking to explore the city's history, geography, and transportation infrastructure.

The *Rand-McNally New Commercial Atlas Map of Pittsburgh* stands as a testament to the cartographic excellence of Rand McNally and serves as a valuable resource for understanding the urban dynamics of Pittsburgh in 1912. Its detailed depiction of streetcar lines adds an additional layer of historical significance, showcasing the importance of public transportation in the city's development.
