Description:

The real estate in question is situated within the city of San Diego, immediately west of Balboa Park, just north of the Burlingame Neighborhood.

The property appears to me more or less bounded by 28th Street on the west side, 32nd Street on the East Side, and Thorn on the North Side, with the south border being more or Less Switzer Canyon, which shows up on the map at the bottom right of the East Section, which is primarily owned by Joseph Foster, one of the pioneers of the City of Lakeside.
