**Description:**

***Shows Sea of Korea (Mer de Coree)***

Rare late edition of Jean Baptiste Nolin's map of Asia, here corrected and augmented by L. Denis and published by Basset in 1817.

The map illustrates the routes of a number of explorers, including the Glacial Ice encountered by Captain James Cook, the Spanish Galeon route from Manila to California,

**Detailed Condition:**

Foxing and toning throughout. Wear on extremities, not affecting image. Tear in upper center.
