Size: 9.75 x 11.75 inches
Price: SOLD

Description:

The Rarest Atlas Map of North Carolina

Extremely rare map of North Carolina, published Tanner's *New General Atlas*, published in New York City by Tanner's Geographical Establishment, written and engraved by Joseph Perkins.

The map pre-dates the formation of Gaston County (1846), Alexander County (1847), Polk County (1847) Watauga County (1849), Alamance County (1849) and Forsyth County (1849).

Tanner's *New General Atlas* was issued following Tanner's sale of his *Universal Atlas* to Samuel August Mitchell. The *Universal Atlas*, which had been published in Philadelphia from 1836 to 1845. Tanner's *New General Atlas*, for which Anthony Finley was also a collaborator, is one of the rarest 19th Century American atlases. To view the complete atlas in the David Rumsey collection, [click here](#).

Rarity

The map is very rare. This is the first example we have ever seen on the market.
