Description:

Detailed map of the region of Alaska bounded by Cook Inlet and Prince William Sound, showing Port Bainbridge. Includes Indian Tribes, Russian Factories and a number of other placenames.

Shows soundings and various routes through the region. A highly detailed and interesting map. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. A bit of spotting and soiling, but overall a nice map.
