### Description:

Large format map of the region bounded by Lake Superior, R. Du L. Chat, L. Trout, Hudson Bay and Abbilibbe R. The map is centered on the Albany River, flowing to the Hudson Bay. Isle Royale appears in Lake Superior. The map includes numerous French Forts and Indian Tribes in the region. From Vandermaelen's remarkable 6 volume atlas, which if combined as globe gores forms an immense globe. Vandermaelen accomplished the first atlas mapping of the world on a uniform scale. A bit of spotting and soiling, but overall a nice map.
