Description:

London to Oakeham

Fine original antique road map, tracking the road from High Barnet (north London) to Oakeham.

This map was published as part of John Ogilby's traveler's guide, a detailed treatment of the roads of England and Wales.

This map is particularly interesting for its non-traditional representation used, showing the road, towns along the road and details on important crossings.

The map tracks from High Barnet to Hatfield, Baldock, Bioggeswade, Tamesford, Eaton, St. Neotts, Lyforda and finally Oakeham.
