Description:

Detailed hand-colored lithographed antique map of Kansas and Nebraska, published by Samuel Augustus Mitchell Jr. in Philadelphia in 1882.

The map illustrates the disparity in western development in Nebraska and Kansas. Kansas shows an almost modern county configuration, while northern Nebraska is still largely unexplored.

It shows railways, towns, roads, forts, etc.

This is a late edition of the map, which first began publication in the mid-1870s.
