Description:

Scarce 8 sheet map of Australia, published by Augustus Petermann.

Large map of Australia showing towns, river system, railways and telegraph lines and county boundaries.

The map features the routes taken by a number of important overland explorers, during a time period when the interior parts of Australia were still largely unknown. Relief shown by hachures and spot heights with annotations on vegetation.

The map would be significantly revised and improved in [the 1875 edition](#).
