Description:

An attractive example of this scarce antique engraved map of the Southeast, including Florida, Georgia, Alabama, Mississippi, Louisiana, and South Carolina.

The map provides a fine treatment of the Gulf Coast and a dramatically oversized Tampa Bay and Baie du St. Esprit. This striking map was drawn before Florida and the Gulf Coast had been fully explored and demonstrates the limits of contemporary knowledge in the region.

The map pre-dates the appearance of Tennessee Territory, which first began to appear on maps in the 1790s.
