## Lac des Hurons

**Stock#:** 99828  
**Map Maker:** Lahontan  
**Date:** 1703  
**Place:** Paris  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 3.3 x 5.5 inches  
**Price:** SOLD

### Description:

#### *Lahontan's Account of Lake Huron*

Nice example of Baron Lahontan's illustration of the "Lake of the Hurons," from his explorations in Canada.

The map is oriented with west at the top. The flow of the current across the lake is shown, as are a group of indigenous canoes. On the eastern shore of the lake are the French, Jesuit, Huron, and "Savage"
