area, complete with a line for the frame, which never touches the ground during the entire assembly process. At the top is the area is the finishing and testing area, including an explanation of the final crating process for shipping.

The poster proudly states that Harley-Davidson Motorcycles are made in the USA, by union labor, IAM Local 175.

The museum is also mapped out by exhibit.

Rarity

The map is very rare. This is the only example we have ever seen for sale.

It was issued in the same year as the Milwaukee Bike Map, also drawn by Greg Grider.
