### Description:

#### *The Premier Early 20th Century Atlas of California & The Southwest*

Fine example of this scarce atlas of the southwest and the world, featuring numerous city plans of western cities and large folding maps of the western states. The book is illustrated with photographs and 67 color maps, a number of which are double-page or folding.

Includes city maps of Sacramento, Oakland, Los Angeles, San Diego, statistical maps of California, maps of the other states, etc. With many articles, biographies of prominent citizens, interesting illustrations.

Cowan described the work as "An invaluable compilation of biographical and commercial information." Cowan, p.841
