**Size:** 10 x 8 inches  
**Price:** SOLD

### Description:

Map of Florida from Bradford's Comprehensive Atlas. Shows very early county divisions, along with travel routes between major cities and towns. Ony Monroe, Mosquito and Hillsboro Counties in the South, along with a curiously placed Dade County, north of Hillsboro. Miranda's and Arredondo's Grants are shown, along with a number of early forts, roads and battle sites. One of the earliest obtainable commercial atlas maps of Florida.
