Description:

An early full color example of Speed's map of Denbigh, including coats of arms and a detailed town plan. Some minor misfolds and printer's creases have been flattened at the centerfold and a bit of toning, else a nice example. Speed's Theatre of the Empire of Great Britain... was first published in 1612, employing maps which Speed began publishing individually as early as 1596. It is without doubt the most famous of all English County Atlases, appearing in various editions for over 100 years.
